HOSTED
A BOOTH AT THE
**Workforce Solutions
Southeast Texas Youth
Career Expo**

Our leaders shared real-world insights into future career opportunities with Southeast Texas students.

SPONSORED THE
**Lamar University -
Junior Achievement
Engineer Job Shadow
Luncheon**

The event paired high school students with engineers from local companies to explore engineering career paths and participate in hands-on challenges, sparking student interest in various fields of engineering.

Sponsored and Participated
in a series of events for the
**Southeast Texas
Women in Industry**

The organization's mission is to connect female students interested in STEM careers with industry professionals in Southeast Texas, fostering mentorship, guidance, and inspiration to help them achieve their goals.

PARTICIPATED in the
"Lines for a Cause"
**United Way
Fishing Tournament**

Proceeds support local organizations' programs focused on education, health, safety, and community well-being.

PARTICIPATED in the
**9th Annual REEL
UNITED Tournament**

Funds raised allow the United Way of Mid & South Jefferson County to invest in programs that strengthen the community by supporting youth opportunity, financial stability, health, and resilience.

JOINED THE
**Jefferson County
Rodeo Cook-Off**

The event supported the organization's "Supporting Youth Through Education" mission — helping empower local students to pursue higher education. Our contribution provides Jefferson County students with financial assistance to support their academic goals and future success.
